

NOTICE: NEOCATE® PRODUCT CHANGES/UPGRADE (AUSTRALIA)

Nutricia would like to inform you that Neocate® Advance has a new formulation and a new name. The new and improved Neocate® Junior will replace Neocate® Advance in a phased approach, where each of the two variants will transition at different times in the coming months.

There are two key changes to know:

1.

Neocate® Advance Vanilla
(with prebiotic fibre)

=

Neocate® JUNIOR Vanilla
(with prebiotic fibre)

JUNE '18

Neocate® Advance Vanilla with prebiotic fibre 400g will initially **only undergo a name change** to **Neocate® Junior Vanilla with prebiotic fibre 400g**. As part of this change, Neocate® Advance Vanilla will no longer be available for prescription after the **31st May 2018**, and Neocate® Junior Vanilla will be listed on the PBS from the **1st June 2018**. The PBS codes for this product will not change and there are no other changes to this product at this time. Should you require more information, please head to the [Neocate® Village website](#).

2.

Neocate® Advance Unflavoured

=

Neocate® JUNIOR Unflavoured

JULY '18

From *August 2017*, Neocate® Junior Unflavoured 400g has been listed on the PBS alongside Neocate® Advance Unflavoured 400g. Neocate® Junior Unflavoured is not only a name change but also a formulation upgrade and following this transition phase, **Neocate® Advance Unflavoured will be delisted** from the PBS schedule from the **1st July 2018**. The new Neocate® Junior Unflavoured has **new** PBS codes and will continue to be available for prescription. Should you require additional information about the upgrade, head to the [Neocate® Village website](#).

To help children get started on the new **Neocate® Junior Unflavoured**, we have **parent guides** that clearly map out a transition plan and you can use this as part of your guidance. The parent guide is available [here](#), however should you wish to have printed copies, please contact us on: <http://neocatevillage.com.au/contact-us/> or call our Clinical Care Line 1800 060 051 (Monday to Friday 9am to 5pm AEST, excluding public holidays).

Please Note: There will be no changes to the infant range of Neocate®, which includes Neocate® Gold, Neocate® LCP and Neocate® SYNEO™.

If you have any more questions please don't hesitate to contact us: <http://neocatevillage.com.au/contact-us/> or call the Dietitian on our Clinical Care Line 1800 060 051 (Monday to Friday 9am to 5pm AEST, excluding public holidays).
